**IKKA SOUDEN**  
MUSK MELON

WE GROW MUSKMELON IN YASU,  
KOCHI PREFECTURE IN SHIKOKU.  
OUR METHOD IS RARE IN THE  
WORLD, A LUXURIOUS WAY WHICH  
ADMITS ONLY "ONE FRUIT PER  
SEEDLING" SO THAT THE FARMERS

FULLY TAKE CARE OF EACH MELON  
WITH NUTRITION AND AFFECTION.  
WE CALL IT "IKKA-SOUDEN" TO  
MEAN GROWING EACH FRUIT THAT  
THE FARMERS SHOWERED ALL OF  
THEIR VITALITY ON.
